

Charity

Charities for 2019-2020

Every year, CCNC supports a charity in our community. A variety of activities are offered and organized by our Fundraising committee. Based on the recommendation of the charity committee, the board has chosen to support one charity during our July 1, 2019 to June 30, 2020 year.

[Friends of Hospice Southwest Washington](#) will receive money from our fundraising activities throughout the year.

Children's Milk Fund

Voluntary contributions are also collected at coffees to support the children's milk fund at the [YWCA](#) woman's shelter.

For any fund raising event, participation is **entirely voluntary**, and members are free to take part in an event without obligation to give.
