

Whodunnit

Fundraising took front stage with 2 interactive murder mysteries held on Whodunnit Thursdays. Club members, some playing character roles (all suspects) and others participating as non-suspects helped solve the crime. Was it the butler? NO! There was no butler in either mystery A Taste for Wine and Murder or Murder at Mardi Gras.

Captivating storyline, creative costumes and great performances-what fun!

All proceeds are donated to our charity HOPE Dementia Support.
