9-Hole Wednesday Golf

All women members of Clark County Newcomers are welcome to join the Nine Hole Golf Group. We have additional annual dues of \$15 for each golfer that will be collected. Golfers are expected to have play experience and an understanding of the golf rules and etiquette. We play on Wednesday mornings at different courses in and around the Portland/Vancouver area. After a round of golf, we enjoy lunch at a restaurant with the group.

For additional information, or to RSVP, please contact [Coleen Froeber-Peden](#) or [Becky Halstead](#) with your contact information and your golf level.

18-Hole Golf

Golf season runs April through October. This group plays on Thursdays on area courses. If you are an experienced player, come play golf with the group. For further information, or to RSVP, please contact **Camille Fournier** with your contact information and your golf level.

Players have dues for golfing in addition to CCNC membership dues.
