

Activities

Fill your free time with lots of fun by taking part in activities you enjoy. CCNC has many activity groups that either encourage new participants or need substitutes for regular participants. Here's a partial list of in-club activities. For details on some of these groups, see the associated pages or contact [Membership](#).

Due to the disruptions caused by the Coronavirus (Covid-19) some activities may be canceled or rescheduled at the last minute. Please be sure to check with the activity contact to confirm that the event will occur as scheduled.
